Join us NEXT Wednesday for our weekly meeting via Zoom at 12:30PM. Ian Fortier, Executive Director of the Grandin Theatre Foundation, will join us to tell us more about the Grandin Theatre Film Lab. The Film Lab is an after school program for area high school students who are interested in learning about film production, lighting, screenwriting, storytelling, acting, sound engineering, and film industry. Students showcase their films at the end of each year.

### Opportunity to Lead Clean Up of Roanoke Mill Mountain Star:

Here is an opportunity to volunteer to lead a fairly easy project with much potential for fun and publicity, the clean up of the Roanoke Mill Mountain Star. Imagine the amount of interest from outside our Club this could generate. Our Club just auctioned it off, now we get to clean it up. The Environment Committee made the decision to offer the leadership of this project to club members outside of our committee. The leader of this project will benefit from the depth of experience committee members have running similar projects. Contact Environment Committee Chair Mike O'Brochta for additional information.

The Phoenix Star Aktion Club gathered for breakfast on Memorial Day. This meal marked the first time that the group has been together (other than working at KPAD) since October. The Club looks forward to again meeting on a regular basis, and resuming projects to help our community.

Kiwanians,

The Ironman race is coming to Roanoke! Over 2,000 athletes will test themselves in a competition that includes a 1.2M swim, a 56 mile bike ride and a 13.1 mile run. These athletes travel from all over the country so this is a wonderful opportunity to showcase the Roanoke Valley.

The event is Sunday June 6th and lots of volunteers are needed. The Club will be one of many civic groups participating. We will be working together at an aid station at Piedmont Park (physical address is 102 RIVERVIEW BLVD SE) along the Roanoke River Greenway. Duties will include handing out water and cheering on the competitors!

To sign up, type in this link.

<https://ironman.volunteerlocal.com/volunteer/?id=48753>

Where it asks for a password, type kiwanis. Then scroll down the page until you find the yellow highlighted aid station choice. Check the box, then complete the form with your information. Please do not be discouraged about the length of the shift. If you can only work part of the time, please email me with your hours. The Ironman Team does need everyone to sign-up so you can get a volunteer shirt and execute their waiver forms. Again, please email me if you have questions.

Let's dazzle these visitors with hospitality and community spirit!
