

Directors & Officers Installation & Membership Dues

Kiwanians,

There will be **no meeting on September 29th** as that date is reserved for the Officers Installation Dinner in the evening. This year's event will be held at the new picnic pavilion at the **Carvins Cove Natural Reserve's Boat Landing located at the end of Reservoir Road (9644 Reservoir Road, Roanoke, VA 24019)**. Dinner will be a low country boil prepared by Amy Carter and will start at 6 PM. Be on the lookout for additional details concerning the dinner and how to RVSP.

Please refer to the email John Montgomery sent a couple of weeks ago about billing for the rest of the current year and billing options for the upcoming year. Those members who qualify for tenured status (formerly known as "senior"), spousal status or Under 40 status, meals will be billed separately as they are consumed. Members outside of the categories identified above will be billed for "Virtual Plus" -- that is \$118.75 for the quarter plus meals consumed in July and August. Everyone other than tenured, spousal or Under 40 members has a choice to make starting October 1.

Please feel free to contact me if you have any questions. - *President Mike*

Meals on Wheels Committee Chair Don Wilson

has some openings on delivery routes this fall. This involves delivering lunch once a month to a group of home-bound older adults who always appreciate the lunch, the brief conversation and the acknowledgement that others care. Don says "Route 15" can be completed in about 45 minutes -- and he will gladly accompany you on your first run just to make sure you are comfortable the route and process. Those days available each month are: Tuesdays (1st, 4th and 5th), Wednesdays (4th), Thursdays (1st, 3rd and 4th) and Fridays (1st). About 15 Kiwanians and family members currently assist with this important work. Please let Don know if you can join our team!

Congratulations to the Kiwanis Club of Danville on their 100th Anniversary! The club was chartered June 21, 1921, just six years after Kiwanis International was founded in Detroit. "One hundred years is certainly a milestone to celebrate, to cherish and to honor," said Lee Vogler, Danville City Councilman and Danville Kiwanis Club president-elect. "You think about all the changes that our city has gone through over the span of 100 years – through great depressions, through renaissance, through wars, through hardship, through a recession – and now, we are once again seeing revival in our city."

Kiwanis Division 15 Lt. Gov. Don Witt, who oversees Kiwanis clubs in Danville, Bassett, Martinsville, Roanoke metro and Lynchburg metro, echoed Vogler's words of rebirth in Danville and the role the Kiwanis Club has played in that rebirth. "When Danville was losing a lot of its major businesses and so forth, this club trudged through it and stayed with it," Witt said. "I think you have to be applauded for that. I see a lot of perseverance in what you're doing now that Danville is actually reviving itself. We are seeing a lot of exciting things happening in Danville and because of that, I also see a lot of optimism in this club and a lot of optimism in the city itself."

Division 15 is one of 17 divisions of Kiwanis clubs, which are found in more than 80 nations and geographic areas around the world. Danville Kiwanis Club has allowed women to join only since 1987, but since 1995, it has elected nine female presidents, including three consecutive female presidents from 2000 to 2003.

Lunch Meetings

Kiwanians, below are a few tips and other information to encourage safe and enjoyable meetings for all Club members.

The Reboot committee recommends that we immediately implement a policy strongly urging anyone attending a Kiwanis Club of Roanoke in-person indoor club meeting or function to wear a mask at all times -- except when eating or speaking at the podium. To add emphasis to this intent, the seating at Charter Hall will be limited to no more than four persons per table.

For Members attending in-person:

1. **If you are feeling unwell** (head cold, stomach upset, sore throat) please stay home! Instead use the virtual option. Members who are immune-compromised should also consider the virtual option.
2. **Unvaccinated Members are expected to wear a mask** at all times while attending in-person meetings. If you are concerned with wearing a mask the entire length of the meeting, the virtual option is available and may be a better choice.
3. A **boxed lunch** will be served, instead of the usual buffet. **Please let John Montgomery know NO LATER THAN MONDAY AT NOON if you plan to attend and eat lunch** - and please include your guest so we have to correct number of meals prepared;
4. There will be **no singing** along with the musical selection
5. Only **4 Members will be seated at each table.**
6. If you are responsible for the invocation, song, pledge or are making an announcement, you will need to **use the microphone** so those attending virtually can hear your message. Please plan on being at the podium for these activities. It is very important to **speak clearly and directly into the microphone** so those attending virtually can hear.

For Members attending virtually:

1. The **Zoom link will go live at NOON** as all our virtual meetings have done. Members will be able to talk among themselves until the meeting starts. ****Keep in mind** - those in attendance at Charter Hall will not be able to hear you. **You're on Candid Camera!** Your image will be displayed on the big screen while it is not being used for program elements such as videos or speaker PowerPoints. ******
2. At **12:30 you will be muted** but may still use the Chat Function to send messages. One of the members helping to produce the meeting will be **monitoring the Chat Box** and will try to answer your questions or bring them President Mike's attention. If there is a sound or video problem, please notify us by Chat as soon as possible.
3. As the production team gets more experience, we may be able to unmute members during select times, but for now, virtual members will stay muted.
4. The **meeting will be recorded** and available later

THANK YOU IN ADVANCE FOR YOUR PATIENCE!
