

**The Kiwanis Club -
please enjoy this original poem submitted by Aktion Club member Sarah Ross**

The Kiwanis Club promotes life amelioration

Serving children of the world is their defining mission

Founded by Allen S. Broke in 1915

Nunc Keewanis is what Kiwanis means

Derived from American Indians, from whom history was laid

In English, Kiwanis means simply, "We Trade."

Never political, accepting all beliefs

With no discrimination, showing human relief

To serve "Objects of Kiwanis International" is their pledge

To uphold communities and sharpen their edge

Membership is extended to all persons of good word

Who dedicate their lives to serving children of the world

Human and spiritual values are praised over material ones

Kiwanis turns improving lives into having so much fun!

There's restaurant coupons, candy and Christmas tree sales

New ideas are always welcome, if the Golden Rule prevails

Volunteering aids social networks and strengthens the mind

Lifting self worth and joy for the best life one can find!

With Kiwanis there is always enrichment for each member to send

For the power to change the world, each soul holds in their hand
