Kiwanis Club of Roanoke Announces New Corporate Membership –

Our Kiwanis Club now has a Corporate Membership option! This membership affords all the benefits of an individual membership (including meals) plus the opportunity for secondary corporate representatives to substitute for the designated primary member. A corporate designee can change over time and participate as a full member, without changing the membership. Either the primary representative or a substitute for the primary representative is welcome to invite guests to attend meetings as well.

Only the designated primary member has voting privileges, however, or can serve on our board or as an officer. Should the primary corporate representative leave their organization the company can designate another representative to take their place, thus maintaining without disruption the corporation's membership.

Why should your company join?

Many companies want to offer community-service opportunities and this corporate membership offers multiple ways to participate in service projects of Kiwanis.

Visibility: excellent opportunities to enhance visibility and increase awareness.

Impact: highly impactful opportunities to give back to and affect positive change within our community.

Alignment: the Kiwanis Club of Roanoke assists over 25 charitable organizations, with a focus on three key pillars: Youth * Elderly * Environment

Connection: the opportunity to engage multiple members of the member organization with the Club.
