## **February 4th - Club Meeting Frank Shushok, Roanoke College**

Join us Wednesday for our weekly meeting in Charter Hall on the third floor of the City Market Building; networking and lunch begin at 12:00PM. We will listen to Frank Shushok, President of Roanoke College, talk about recent developments and future plans. He will touch on transforming campus infrastructure, reorganizing academics into four new schools, and fostering deeper community partnerships. Key initiatives include a \$60 million Science Center renovation, sustainable campus housing, and the launch of the RC-RV initiative for career-focused education.

Frank came to Roanoke College with over 30 years experience in higher education. Immediately prior to coming to Roanoke College, Shushok served 13 years in several executive roles at Virginia Tech, including Vice President of Student Affairs. He was also a tenured professor in the College of Agriculture and Life Science. Early on he served at his alma mater, Baylor University, in several capacities, including dean for student learning and engagement, associate dean for Campus Living and Learning, and was a

faculty member and program director for the graduate program in Higher Education and Student Affairs.
